

What is Seller ID?

Seller ID is a unique identifier for the seller on the marketplace.

How to get the Seller ID?

1. Locate the seller name against the product or find it in list of sellers

The screenshot shows the Flipkart website interface. The top navigation bar includes links for 'Sell on Flipkart', 'Advertise', 'Gift Card', 'Download App', '24x7 Customer Care', 'Track Order', 'Signup', and 'Log In'. The main header features the Flipkart logo and a search bar. Below the header, the product page for a Samsung refrigerator is displayed. The product image is on the left, and the details are on the right. The details section includes promotional offers like 'No Cost EMIs from ₹1,300/month' and 'Get upto ₹1,850 off on exchange'. The delivery section shows the pincode '400001' and the delivery date 'Tomorrow, Wednesday'. The features section lists '3 Star', 'Digital Inverter Compressor', and 'Built-in Stabilizer'. The services section includes '10 Years Warranty', 'Installation and Demo Not required', '10 Days Replacement Policy', 'Schedule your delivery', and 'Cash on Delivery available'. The seller information at the bottom shows 'OmniTechRetail (4)' highlighted in a red box, with a note to 'View 2 sellers starting from ₹15,590'. The bottom of the page has 'ADD TO CART' and 'BUY NOW' buttons.
